Classwork

This term we will be focusing on using our knowledge of the sounds letters make and how we can blend these sounds together to read and write with some more independence. We will be focusing on how to use finger spaces to help present our writing and when reading we will be talking lots about the characters in stories as well as important events and predicting what might happen next. We will be exploring how to tell the time using o'clock and the class will also be looking at how they can use their existing counting skills to help them complete simple addition questions.

Our topic this term is **The 5 Senses**. We will be learning about the senses and how we use them.

Homework

Your child's homework will be handed out on a **Wednesday** and should be returned the following **Tuesday**. Homework tasks will reinforce what your child has been learning in class. Once completed please sign your child's homework task.

Reading books, home/school diary and common words cases should be kept separate in your child's book bag and not handed in with the homework folder.

Things to Remember

Children should:

- bring their book bag and home/school diary to school every day (please ensure that this is checked daily for notes/letters)
- bring a fresh water bottle every day (please note that juice is not allowed in the classroom)
- bring in a painting apron to be kept in school (an old shirt will suffice)

It is useful for us if all equipment and belongings are clearly labelled so that it can be returned to its owner should it go missing!

If there is anything you would like to discuss, or information to share about your child, please feel free to contact us either by writing a note in your child's home/school diary, catching either of us at the end of the day or by contacting the school office.

Thank you for your continued support.

Kind Regards
Mrs Cooper and Miss Cree
