

Primary 7S

Term 2 Newsletter

Welcome back!

I hope that you all had an enjoyable and relaxing October break. I can't believe Term 1 has whizzed past already and now we are into Term 2 and looking towards Christmas. Where does the time go? Below you will find important dates for your diary, our class timetable and an outline of some of the things we will be learning. If you have any questions please do not hesitate to write in your child's diary, contact the school office or catch me at the end of the day.

Many thanks,

Miss Nicola Seivwright

Homework / Reading

Homework will continue the same pattern as last term. It will be issued each week on a Thursday to be completed and returned by the following Tuesday. Thank you for all the hard work that went in to homework last term. I really enjoyed the presentations the children prepared.

Timetable

Monday - Library (fortnightly)
Wednesday - German with Frau Kaup and P.E.
Thursday - French and STEM with Mrs. Young
Friday - P.E.

In class

Our topic this term is 'Extreme Earth. This topic explores the causes and impact of natural disasters around the world as well as what is done in terms of aid to help countries hit. The children will make connections between natural disasters and the changes we have seen in weather locally, making reference to global warming and the effect it has.

- I can describe the physical processes of a natural disaster and discuss its impact on people and the landscape. SOC 2-07b
- I can report and comment on current scientific news items to develop my knowledge and understanding of topical science. SCN 2-20b

We will be focusing on discursive writing, writing procedures and imaginative writing this term, looking at writer's craft. Our maths will focus on various aspects of numeracy including fractions, decimals and percentages, money, time, expressions and equations. These will be dependent on the children's strengths and areas for development. Consistent revision of multiplication facts and division at home will really assist in strengthening these other areas. The children will continue to work with Mrs. Jones and Mrs. Paterson for spelling and problem solving if they did so in term 1.

Dates for your Diary

- PTA Disco - Friday 9th November
- In-service (staff only) - Monday 12th and Tuesday 13th November
