In Maths we will focus on mental agility and will continue to develop their written and mental strategies for adding and subtracting. We will take part in daily mental maths sessions to improve speed and accuracy. We will also be focusing on place values of digits including decimal values and using mental maths knowledge to support the learning and understanding of expressions and equations.

Topic

Our Topic this term is based on the novel 'The Iron Man' by Ted Hughes. The children will be creating a variety of artwork and writing linked to the different themes within the novel.

The children will have two PE sessions a week. Please ensure that your child has a full PE kit every day in case we have an additional PE slot. All pupils should have shorts/leggings, t-shirt and suitable footwear. Fitbits/garments and other electronic fitness devices should not be worn during PE sessions as they could be damaged and are also a hazard during contact sports. Earrings should be removed or covered with tape for PE sessions. No rings, necklaces, bracelets should be worn either. Please ensure all items of clothing are named to avoid confusion over ownership

Water and Snack

We encourage the children to bring water bottles to school so that they can drink water during the day. To encourage healthy eating, the school's Golden Carrot competition continues. Children are encouraged to bring a healthy snack Monday to Thursday and to leave Friday as a treat day! Please refrain from giving your child peanut and nut based snacks as there are children with severe nut allergies in school.
