

# Snow Day Activities - Primary 2

If school is closed or school transport is not operating due to poor weather conditions,  
please choose some activities to complete each day that you are not in school.

## Technology/ICT

- Use your recycling to make a snow mobile that we hang in the classroom.
- Draw a picture of a super sledge and label what it can do.
- Design a winter home for an animal. Draw and label it.
- Complete some activities and games on the following websites...

[www.topmarks.co.uk](http://www.topmarks.co.uk)

[www.funbrain.com](http://www.funbrain.com)

[www.bbc.co.uk/schools](http://www.bbc.co.uk/schools)

## Literacy

- Write a story about a snowman you have made, include information about what happened first, next and finally. Or write a set of instructions on how to build a snowman.
- Create a new ending for a story you have read.
- Create a Talking Box about winter to share.
- Make paper puppets to act out your story and put on the show and perform it at home. Bring them in to class to share.

## Other

- Using a song of your choice create an exercise routine that will warm up all your muscles. Share your routine with your friends.
- Create a giant picture in the snow. This might involve sculpting the snow or clearing snow away. If possible, take a photo of your work.
- Fill 2 containers with snow. Cover one with something like a towel etc. Which one do you think will melt the quickest? Check your snow after a while and which one melted first.

## Numeracy

- Draw pictures or record in your jotter what you did at different hours of the day. Can you write o'clock or half past time- example: 9 o'clock eating breakfast, 10.30am playing in the snow.
- Get an adult to give you a number. Make as many number stories as you can. For example 12... (6 + 6, 10 + 2, 14 - 2 etc.). Can you use a bigger number each day?
- Build a snowman and measure how tall it is.
- Log onto Sumdog and see how well you can do. Your username and password is in your home/school diary. [www.sumdog.com](http://www.sumdog.com)
