Term 3 Newsletter

Welcome back!

Welcome back to term 3! We have a busy and exciting term ahead. We have really enjoyed my first few weeks getting to know the children in P1K. If you have anything you would like to discuss, please do not hesitate to get in touch by writing a note in your child's diary or contacting the school office.

Miss Seivwright and Miss Cree

Friday 20th March – World Downs Syndrome Day

Thursday 2nd April – World Autism Awareness Day

Friday 3rd April – Easter Service at Kintore Church and end of term 3.

Our Learning

Literacy – We will continue to learn our sounds and common words to help us with our reading and writing. Some more information on this is given below. Any practice of reading and writing is a big help for your children learning these new sounds and words.

week 1 – h and w – was, went, his

week 2 – j and v – have, just, to

week 3 – consolidation week

week 4 – y and z – your, by, only

week 5 – q(u) and x – are, dad, not

week 6 and 7 – consolidation and assessment

Numeracy – We started by looking at coins and counting amounts to buy items using pennies. During term 3 we will focus on addition and subtraction to 10. The children will have lots of opportunities to use materials to help them build up an understanding of addition and subtraction and move towards learning these number bonds.

Health and Wellbeing – In P.E. we will be doing gymnastic, focusing on movement and balancing. We continue to learn new Decider Skills this term to help us happy and healthy on the inside too.

Other Areas – The beginning of the term is very busy with Burns Celebrations, European Country Assemblies and learning our new school values. We will then start our topic this term which will be 'Transport'. We will investigate different ways to travel, engage in some modelling of modes of transport, investigate the way transport has changed and use some technologies to help us with our learning.

Things to Remember...

Children should:

- bring their book bag and home school diary to school every day.
- notes / letters given out will be put in your child's book bag.
- bring a fresh water bottle every day (juice is not allowed in the classroom)
- bring a healthy snack Monday - Thursday. (NO NUTS PLEASE)
- Come to school dressed for all weather conditions as some learning will also be outdoors.

Homework

Homework will continued be issued on a Thursday this term to be returned on or before the following Tuesday. Thank you for your continued support with homework, your engagement with homework, reading and Seesaw is invaluable for your child's learning.
