## Our learning

- In Maths this term we will continue to develop our skills in addition and subtraction, multiplication and division. We will also be looking at fractions and data handling.
- In Literacy we will be developing our skills in note taking and using our notes to help us create interesting and informative leaflets. We will also be doing some personal writing.
- Our topic this term will be 'Romans'. We will be exploring evidence and artefacts and how the Romans relate to us in Kintore. Part of our topic will also involve looking at technology development and family trees.

## Homework

Thank you to everyone who has given me feedback regarding the homework format I used last term, as there was such a positive reaction, we will continue to use this format. Homework will continue to be issued on a Thursday and due the following Wednesday.

## Important Reminders

Just a small reminder that there are pupils in our class, and throughout the school, with food allergies. Please refrain from giving snacks with nuts in them as this could cause an allergic reaction. I am grateful for your support in this matter.

## Reading

Reading will continue to be issued twice a week and any changes to the usual 'Reading Days' will be written in your child's home-school diary. Please remember to initial when your child has finished their Reading homework.
